- The claimed subject matter of the Claims 1 to 10 is novel over the contents of the documents cited in the ISR as none of these documents disclose all technical features of these claims (Article 33 (2) PCT).
- 2. Also an inventive step is given for this subject matter, as the specific combination of technical features of these claims is not made obvious by one or a combination of two or more of these documents (Article 33 (3) PCT).
- 3. Industrial applicability is given for this subject matter (Article 33 (4) PCT).
